AIRPORT ADVISORY COMMISSION MINUTES

Monday, October 30, 2023

1. **CALL TO ORDER**

Steven Bradford called the Airport Advisory Commission meeting for October 30, 2023 to order at 05:00 PM.

Members Present: Steven Bradford, Mohammad Pasha, Dennis Froelich, Derek Reed

Members Absent: Andrea Kreitner

Staff Present: Brian Stineman

Other Present: Carl Byers (Bolton & Menk), Mike Woerly (Revv Aviation)

2. **PROJECT UPDATES**

A. SRE Grant:

- Carl gave update on discussion with FAA regarding request to modify grant to include carrier vehicle. FAA suggested moving project to 2025. Carl is going to speak with them again and will update at next meeting.

B. Fuel System: Grant agreement for Jet A approved by City Council on 10/5/23

- Grant agreement for Jet A approved by City Council on 10/5/23. There was discussion regarding where to locate the fuel system. Design and bidding will be done winter of 2023/24.

C. Lighting: Go Letter received from FAA and sent to Bolton & Menk to begin design

- Go letter received. Pre-design meeting was held on 10/23/23. All lighting and equipment from 6-24 out will be new. New regulators will be added to project. Two projects will be bid as one contract for ease of construction management.

3. **DISCUSSION ITEMS**

4. **OTHER BUSINESS**

- Voltmer Electric will visit the airport to look at the regulators in the vault and troubleshoot the current problems. This work may be eligible for an emergency repair grant. Carl will follow up after the inspection by Voltmer.
- Brief discussion on the possibility of construction of a law enforcement shooting range and training facility on airport property. Carl will follow up with FAA to see what restrictions they would impose.

5. **COMMUNICATIONS - CITIZENS**

None

6. **ADJOURNMENT**

Councilmember Froelich moved the meeting be adjourned at 06:08 PM.
