- **Hangar Taxilane:** Concrete work is done, will be some finish work in the spring
- **Tree Removal:** Trees near runway have been pile and will be burned when weather and wind are suitable. Trees in fence line have been cut, stumps still need treated.

4. Other Business

- Revv Aviation will transfer to Jet Air March 1, 2026. City council approved assignment of lease.
- Kent hangar received temporary occupancy permit. They are almost ready to close out the project and begin use.
- Motion by Kreitner, second by Lampe to appoint Derek Reed to a second five-year term to continue until June 30, 2030.

5. Public Comments

- Discussion of city code for Airport Advisory Commission and if it is possible to add members, and how often they are required to meet. Brian to investigate and report back to committee.
- Hangar #23 still has a roof leak. Brian will talk to Building & Grounds to see what can be done.

- What will become of the “old” Kent Hangar? Current plan is to keep it as long as they have two planes.
- Brian gave update that the current SRE hangar is getting new siding and a roof due to past storm damage that was covered by insurance.
- Discussed whether a meeting was needed in March and how frequently meetings were required in general. It was agreed to cancel the March meeting and hold a meeting in April if necessary.

6. Adjourn

Meeting adjourned at 5:39 PM

Next Meeting: April 20 (TBD)
